EPAT - Extracorporeal Pulse Activation Treatment

EPAT is performed in a series of 3 treatments in 1 week intervals. If a 4th treatment is needed, that is performed 1 month after the last treatment.

3 Treatments for 1 site - \$299

3 Treatments for 1 additional site - \$150 per additional site

Example: Plantar Fascia and Achilles Tendon,
additional treatment as needed per site - \$50
