

Amerigel Post Op Surgical Kit

We suggest every patient that has a nail procedure done at our office purchase an Amerigel Post Op Surgical Kit. These can be purchased in our office for your convenience but you can purchase the kit wherever it is sold.

The Amerigel Post-Op Surgical Kit provides everything needed for 30-day post-surgery, wound debridement or matrixectomy care. Includes a 1-oz tube of AmeriGel® Wound Dressing, a 4-oz. Amerigel® Wound Wash, 30 fabric bandages and 30 dry gauze pads for once a day dressing changes. The convenience provided by the kit supports patient compliance and positive post-surgical outcomes.
