

Prairie Path 20% Urea Dry Skin Relief Cream

Recommended because it helps promote the healing of severely dry, hyperkeratotic skin and other skin conditions like cracked heels, corns, calluses, rough skin on feet, hands and elbows.

Contains:

- 20% Urea which helps soften and break down thick, dry skin
- Certified Organic Aloe Vera, which speeds healing and reduces redness and inflammation.
- Shea Butter, a powerful emollient that moisturizes dry skin.
