

Prairie Path 40% Urea Ultra Softening Cream

Recommended because it helps promote the healing of severely dry, hyperkeratotic skin and other skin conditions like cracked heels, corns, calluses, rough skin on feet, hands and elbows.

Contains:

- the power of 40% Urea which helps soften and break down very thick, dry skin.
- Certified Organic Aloe Vera, which speeds healing and reduces redness and inflammation.
- Shea Butter, a powerful emollient that moisturizes dry skin.
