

TOLCYLEN

Anti-Microbial Shoe Spray

Anti-Bacterial, Anti-Fungal, and Anti-Sporicidal; Kills spores on contact. The only shoe spray available that is formulated with active silver ions and an anti-fungal agent.

Eliminates foot odor and removes excess moisture from all types of footwear. Acts as a shoe disinfectant and reduces the risk of bacterial cross contamination. The active silver ions can penetrate leather and insoles to effectively keep footwear microbe free over an extended period.

Environmentally safe, non-toxic formulation, contains no fragrance or dyes. Hypoallergenic, rapid-drying formulation leaves no oily residue.
